## Webinar: “What’s in the bag?” Pediatric Blood Transfusions- *What we have learned and considerations for next steps*

**Date:** Tuesday, January 18, 2022

**Time:** 2pm - 4pm ET / 11pm -1pm PT

**Cost:** Free

Please register for this Webinar through the following link:

<https://bit.ly/pediatric-blood-transfusions>

### Learning objectives:

- Discuss commonly transfused blood products
- Evaluate current data and new developments in blood processing and products in the US
- Discuss evidence-based clinical approach of blood transfusions in pediatrics
- Describe how we can evolve our understanding of pediatric transfusions through the vein-to-vein REDS-IV-P Database

### CME credit now offered for event!

Children’s Hospital Colorado designates this live activity for a maximum of 2.00 AMA PRA Category 1 Credit(s)<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity
